MAYOR'S

Dear Citizens:

The Department of Parks and Recreation is gearing-up for another exciting spring and summer season! This year promises to provide a wide array of recreation programs and special events within Allentown's beautiful park system.

Our popular Summer Playground Program is entering its 103rd year this summer, and will culminate

in a spectacular Romper Day on Monday, August 8. This free youth program provides a tremendous opportunity for our Allentown youth to play outside all summer long. (see page 14 for more details.)

New this year are Teen Pool Parties at our municipal pools to kick-off and end the summer, as well as some new twists on favorite programs like Learn to Swim and Dip-N-Dance. (see pages 10-11 for more details.)

Our Parks & Recreation Department continues to make improvements throughout our fantastic park system, from improved trash and recycling containers to repairs to WPA stonework to redesigning entire neighborhood parks. (see pages 18-19 for more details.)

Capital Improvements

MAINTAINING AND IMPROVING ALLENTOWN'S PARK SYSTEM

Jordan Park:

Adult fitness equipment will be installed this summer alongside the basketball courts in Jordan Park to encourage more physical activity among teens and adults who regularly use the basketball court area for pick-up games. A new pavilion has been purchased and will be installed in 2016.

Stevens Park:

The City of Allentown completed a park redesign at Stevens Park, with construction slated to begin in the summer of 2016. The new park design and improvements have been planned based on community input solicited in November 2014 – February 2015. This project is funded by the city, DCNR and CDBG monies and in-kind work. Planned improvements include a new pavilion, playground, community stage and lawn, and paved walking path.

Signage Plan:

The City of Allentown completed a Master Way-Finding Signage Plan for the park system, and portions of this plan are being implemented as funding permits. In the spring of 2016, new signs will be installed at Keck Park, Lehigh Parkway, Trexler Park, Trout Creek Parkway and Cedar Creek Parkway.

Aquatics Facilities Renovations:

The City of Allentown is currently undergoing assessment of its aquatics facilities and developing plans and construction documents for renovations to pools and spray parks throughout the city. Cedar Pool is currently undergoing a complete rebuild and renovation, and is scheduled to open in July 2016. In-house renovations of Bucky Boyle Spray Park were completed by the Parks Department during the Fall/Winter of 2015-16, and the filtration system and roof at Mack Pool will be replaced in spring 2016. Designs and plans for Irving, Jordan, and Fountain pools are pending.

Andre Reed Park:

A new playground has been purchased and will be installed through a community build in June 2016 at Andre Reed Park.

Trexler Park Paving Project:

The second phase of repaving all walking trails in Trexler Park will take place in 2016, including reconstruction on the upper trail along Tilghman St.; reconstruction of the entrance trail off Broadway St.; 1.5 miles of paving; and line striping of paths.

WPA Stonework Improvements:

A \$500,000 improvement project will be completed in spring 2016 on a large section of the WPA stone wall in Lehigh Parkway, including repairs to a collapsed area, road repairs, and pointing and capping of 125 ft of this historic wall. Improvements were made to the steps at Fountain Park, Andre Reed Park and Union Terrace Park in 2015, and more sites will be assessed for repairs in 2016.

Up and Coming Projects:

The city is exploring possible sites and working on designs for a dog park and a skate park, as well as planning for a trail enhancement project along MLK Jr. Blvd and a greenway enhancement project along the Jordan Creek. There are also plans to add new pavilions at popular park locations, install mounted trash cans in many parks, and replace old guide rail in key parking lots.
